Call to order – Evelyn Carter

In attendance: Evelyn Carter, Becky Cochran, Arielle Foran, Petya Stoyanova, Hillary O'Brien, Megan Similia, Julia Wenzel

Committee Reports & Work

IATP Conference Planning

- Petya: Amy and Ryan have clarified the amount of scholarship funds. It was agreed to fund 20 scholarships at \$250 each, and the application should be posted on the IATP website in December. She'll send out an email for volunteers to help select applicants.
- Ariel: Need a 'Save the Date' to be sent out to all IATP members for the April conference dates. Evelyn will take on the responsibility of Fair Share. She'll do this toward the end of December.

Committee Updates

Public Relations – Hillary O'Brien

- The team has created a plan for the 2020 Factbook. The committee is also interested in publishing a newsletter for TRIO students. They also plan to publish one per semester for now (Fall, Spring).

Alumni Relations – Eric Gower

- Committee is making decisions about how to collect & manage alumni. They are looking at the COE alumni website as a model. It's built like Facebook, with an 'opt in' model. This avoids legal barriers. Brian Dulin is checking with UI lawyers regarding privacy issues. They plan to create a survey for alumni who work for TRIO in Idaho state.

Unfinished Business

- Megan submitted a Paul Sproggins grant (\$500). It can be used for initiatives the state association needs – for example, leadership training or government relations. She recommended leadership training; she's researched opportunities in the CDA area, and found Gonzaga has a training with 9 topics. They'll do 1/2 or full day training. The cost: \$1500 for 1/2 day workshop, \$2500 for full day workshop. GU requires 20 people to register. If the grant is awarded, we need to vote on approving the \$500 for this purpose. NAEOP would contribute \$500, COE would contribute \$500 to make up the total. She will send the proposal to the leadership team.

- Megan recommended we get this date reserved so GU has it planned; prior to the Christmas break would be best. It would be on April 15th (Wed) in the afternoon, maybe 1-5 pm.
- Petya suggested a 1/2 day training due to time constrictions for traveling. She suggested a survey be sent to the IATP listserv, asking if 1/2 or full day works better for people.
- Petya also reminded the group that the Student Leadership Conference this fall 2020. Tia is helping, they're looking at potential dates. It will be at BSU and will include a service learning component.

Adjournment

Meeting was adjourned at 3:00 pm. The next IATP conference planning meeting will be on 12/18/19 at 3 pm PST.
