

## **Idaho Association of TRIO Professionals Meeting Minutes 5/7/2020, 2:15-3:15 pm**

**Call to order** – Evelyn Carter

In Attendance: Ryan Brevik, Evelyn Carter, Becky Cochran, Eric Gower, Arielle Horan, Hillary O'Brien, Megan Simila, Petya Stoyanova-Johnson

### **Unfinished Business**

- Arielle advocated for getting a Zoom invitation out. Please make sure folks in your institution are aware of the meeting. Ryan will invite members to join various 'chat rooms' depending on committee assignment.
- Fair share: Idaho is at 150% of donations!
- There was discussion about the IATP meeting rotation. Petya recommended coordinating with NAEOP locations, so institutions can share the load. This eases the pressure so institutions don't have to host state and regional conferences in the same year. IATP 20/21 is scheduled for LCSC. Arielle recommended that future IATP meetings be hosted as follows:
  - 2020/21 LCSC
  - 2021/22 BSU
  - 2022/23 ISU
  - 2023/24 U of I
- Megan let us know that 2023 NAEOP is scheduled in Boise.
- We need to discuss the student leadership conference – can students plan to attend it in September? No decisions were made.
- Paul Spraggins grant: What to do with this money? GU contact is willing to travel to UI or LCSC to deliver the same leadership training next year at the IATP conference. There is no time limit for utilizing these funds, we just can't reapply for another grant until these funds have been spent.
- Discussed funds spent for policy seminar – some funds were refunded, others were not.
- Petya advocated to cover the part of Arielle's Policy Seminar registration expenses which were not refunded. Evelyn noted that IATP policies allow for IATP funds to cover only the President and alumni's registration fees. The board voted, with Evelyn voting nay and Arielle abstaining from the vote. The ayes had the majority, and it was agreed to cover Arielle's un-refunded expenses of \$180.

### **New Business**

- Scholarship committee will announce winners of 2020 IATP scholarship awards at next week's meeting on 5/14/20.
