Officer Reports

President -Evelyn:

- She can't visit some of the high schools in her region due to recent fires and Covid 19.
- She will draft a document outlining an agenda for the IATP board meeting for the NAEOP conference next month. The committee discussed the need to get IATP board position nominations prior to NAEOP in October; nominees are voted on during NAEOP, and the new person will assume the position January 2021.

Treasurer – Ryan Brevik

- IATP's beginning balance was \$14,943, ending balance is currently \$9,463. This is due to a \$2000 NAEOP 2019 conference reimbursement and 14 of 16 scholarship checks being cashed. In addition, there was \$20 credit due to Amazon shopping (thank you Evelyn!)

Committee Updates

- Hillary has reached out to prior public relations committee members; she has two individuals interested in participating during the 20/21 year.
- She will ask at the NAEOP conference meeting on 9/9/20, if regional meetings will be scheduled and if so, what day and time.

Alumni Relations – Julia Wenzel

- NAEOP Alumni Relations committee head Stephanie Sanchez has been in contact with Julia.

IATP Conference Committee – Arielle Horan

- She believes it would be best to wait until after the NAEOP conference to get going on the IATP conference committee and planning the 2021 event.

Student Leadership Conference – Heather Maib

- She and Janelle have drafted 10 questions for a survey of high schoolers who are interested in participating in the Student Leadership conference. She'll send the draft to Megan to check over.
