Reports

President – Megan

Policy Seminar Update and COE State Initiative Update: policy was wonderful and fulfilling, with long days and lots of walking. Meetings were held with legislative aides as well as Idaho Senator James Risch. Idaho has chosen to have an educational access summit this summer, and there is a committee already meeting and planning that.

There will be a survey for IATP members going out prior to the conference; if you have additional questions for IATP members please let Megan know.

Past President – Arielle

Arielle has been looking for people to fill positions. Starting to make some more connections.

President Elect – Amy

Policy seminar was great! No updates on Fair Share. Looking forward to the conference.

The Idaho Association of TRIO Professionals was established December 8, 2003, with the purpose to be a catalyst in the state of Idaho for progressive initiatives that promote educational equity, access, and opportunity for traditionally marginalized student populations.

Treasurer – Heather

Current balance: \$45,207.91

Sub-account has \$100 in it

We have our non-profit status nationally but maybe not at the state level. This has caused some issues with the bank. Who would like to take the lead on this? There is a one-time fee of 150 dollars to do so.

Current spending: Some spending from policy seminar and the conference. We have spent around 10,000. There is a \$3,000 sponsorship charge.

The liquor license arrived to Heather's mailing address and she will bring it with her to Boise for the conference.

Committee Updates –

Public Relations – Hillary

Conference program is **done** and is being printed now. Those will be ready by Tuesday afternoon. Hillary is meeting with some folks from JUMP to get familiar with the equipment there. The slideshow will be put together with photographs. If you have photographs you would like included, please let Hillary know.

Alumni Relations – Gloria

This committee wasn't able to meet in March. Majority of the members will be at the conference next week. The committee is brainstorming how to reach out to directors around the state, so that information about graduating seniors is collected.

Government Relations – Janelle

Scholarship – Chewy

Chromebook available for the winning student. Committee meeting on Friday to decide who are the four winners. The pictures of winners will be wanted by Hillary for the Powerpoint for the gala. There were 163 applicants. Most of these were college students.

Endowment – Holly

Gala things this month. Looking for more auction items!

Membership – Maurice

At the conference we will be recruiting for committees.

Student Leadership – Evelyn

No updates at the moment.

IATP Conference – Nikki

Conference is next week! There are 89 attendees registered. There are an additional 20 or so gala attendees. There are so many things to do over the next few days. It is all coming together.

New Business

Heather Maib would like us to discuss how much money we would like to put into the sub-account for the scholarship endowment. We will move 10,000 dollars into there (based on what we discussed last October at the business meeting).

Looking for a new IATP Secretary: John will be leaving his UI position this summer. We will need a new IATP Secretary to fill his vacancy. President can appoint a new Secretary.
