Reports

President – Arielle

- Arielle let us know that Julia has submitted a letter of resignation. We will need to replace her position within IATP.
- She is trying to get NAEOP to donate one registration to an IATP member.

President Elect – Megan

- Fairshare goal has been met!

Treasurer – Heather

- IATP conference made about \$16,000. All conference expenses have been paid. Current balance is just over \$25,000. She hopes to open a sub-account to have the ability to separate out scholarship funds. She believes that this is the highest the IATP account has ever been!

Committee Updates

Public Relations – Hillary

- Committee has some new members. They will meet twice this summer, will continue the conversation regarding Discord. Corey would like each state to have a calendar of events so everyone can keep track of events. The committee will pick up this project in fall 2021.

Government Relations – Janelle

- Committee has lost some members. They are drafting language to develop content for the IATP website. Janelle is hoping this will encourage membership engagement.

Scholarship – Jessica

- No updates.

IATP Conference – Arielle

- Brian Dulin at UI is chairing the Student Leadership conference this fall.
- Arielle is getting contact information for TRIO program directors across the state and will give this information to Brian.

- Nikki Cavaleiro will take leadership of the 2022 IATP conference

New Business

- Megan asked about new channels being added to Discord. Hillary let her know that she is the one who adds new channels. Starting out, Hillary decided to keep it limited. She'd like people to send requests for her, then she can add channels.
- Arielle requested that the board not be involved in making decisions about requests for channels. Hillary will use her discretion.
