- Was able to travel and visit leadership of TRIO programs at University of Idaho, LCSC, and North Idaho College.
- Hoping that these meetings can help with the expansion of IATP, and increase participation.

- Transition has started, a meeting will take place come December to get the formal transition into place
-

The Idaho Association of TRIO Professionals was established December 8, 2003, with the purpose to be a catalyst in the state of Idaho for progressive initiatives that promote educational equity, access, and opportunity for traditionally marginalized student populations.

Committee Updates

Public Relations: Hillary-

-

Alumni Relations: Gloria-

- Stepping down, looking for new person to take over the role

Government Relations: Janelle-

- Absent, looking for someone to take on the role

Scholarship: Chewy-

- - Not too many updates. I believe we got our scholarship budget, which will be the same as last year, \$1000.
- - I've contacted 2 people (Sean from NIC, SSS and Gerardo from ISU, UB) as they expressed interest in joining the committee. If they accept, I'm hoping to then get a rep from University of Idaho and from Lewis-Clark State College.
- - I'm also shooting towards getting a rep from Boise State University to replace me in reading. This will help reduce bias as I pre-read/skim through the essays to remove any identifiable information.
- - I might hold a meeting with the committee before this semester ends, but that depends on how many representatives I get. Official meetings will begin in January
- - And as always, if you have anybody in mind, send them my way

Membership: Maurice- Absent

Endowment: Holly- Not too much, hoping for new members, and has new business next meeting.

Old Business: None

New Business: Holly will send over some Idaho Gives information to talk about.

Adjourn: 3:42 pm MST
